

BOARD OF ADJUSTMENT – COMMERCIAL, 07/06/11
INFORMATION REPORT

BAC-11-077

James T. & Robert D. Dorsey by Texas Christian University
Blk 13, Lots 1-8, 10-18 Frisco Heights & Blk 1 Lot E Prospect Heights

CD9

- a. Request a **SPECIAL EXCEPTION** in a "PD-891 (UR) /B" Planned Development District – Two Family District to permit the construction of an off-site auxiliary parking lot.
- b. Request a **VARIANCE** in a "PD-891 (UR) /B" Planned Development District – Two Family District to permit the parking spaces within the twenty (20) feet front yard setback along Merida Ave and Lubbock Ave.
- c. Request a **VARIANCE** in a "PD-891 (UR) /B" Planned Development District – Two Family District to permit the construction of an off-site auxiliary parking lot without providing the required screening fence.
- d. Request a **VARIANCE** in a "PD-891 (UR) /B" Planned Development District – Two Family District to permit the construction of an off-site auxiliary parking lot without providing the required chaining and locking facility at night.
- e. Request a **VARIANCE** in a "PD-891 (UR) /B" Planned Development District – Two Family District to permit the construction of an off-site auxiliary parking lot providing wrought iron fence with masonry columns within the required twenty (20) feet projected front yard setback along Merida Ave.

GENERAL INFORMATION

REGULATION

6.202 Parking Lot Design Standards

F. Off-Site Auxiliary Parking If sufficient parking is not available on the premises, a private parking lot may be provided within 500 feet, either on property zoned for that purpose or on approval as a special exception by the Board of Adjustment subject to the following conditions:

1. The parking must be subject to the front yard setback requirements of the district in which it is located.
2. The parking area must be hard surfaced and dust free (except as provided in 6.202E. above). **COMMENTARY:** For additional restrictions on auxiliary parking in the "ER" District, see Section 4.900D.
3. A minimum 6-foot screen fence and bufferyard must be provided on all sides adjacent to a residential district in accordance with Section 6.300.
4. Area lights must be directed away from adjacent properties.
5. The lot, if adjacent to a residential district, must be chained and locked at night.

LOT HISTORY

None

DESIGNATION**

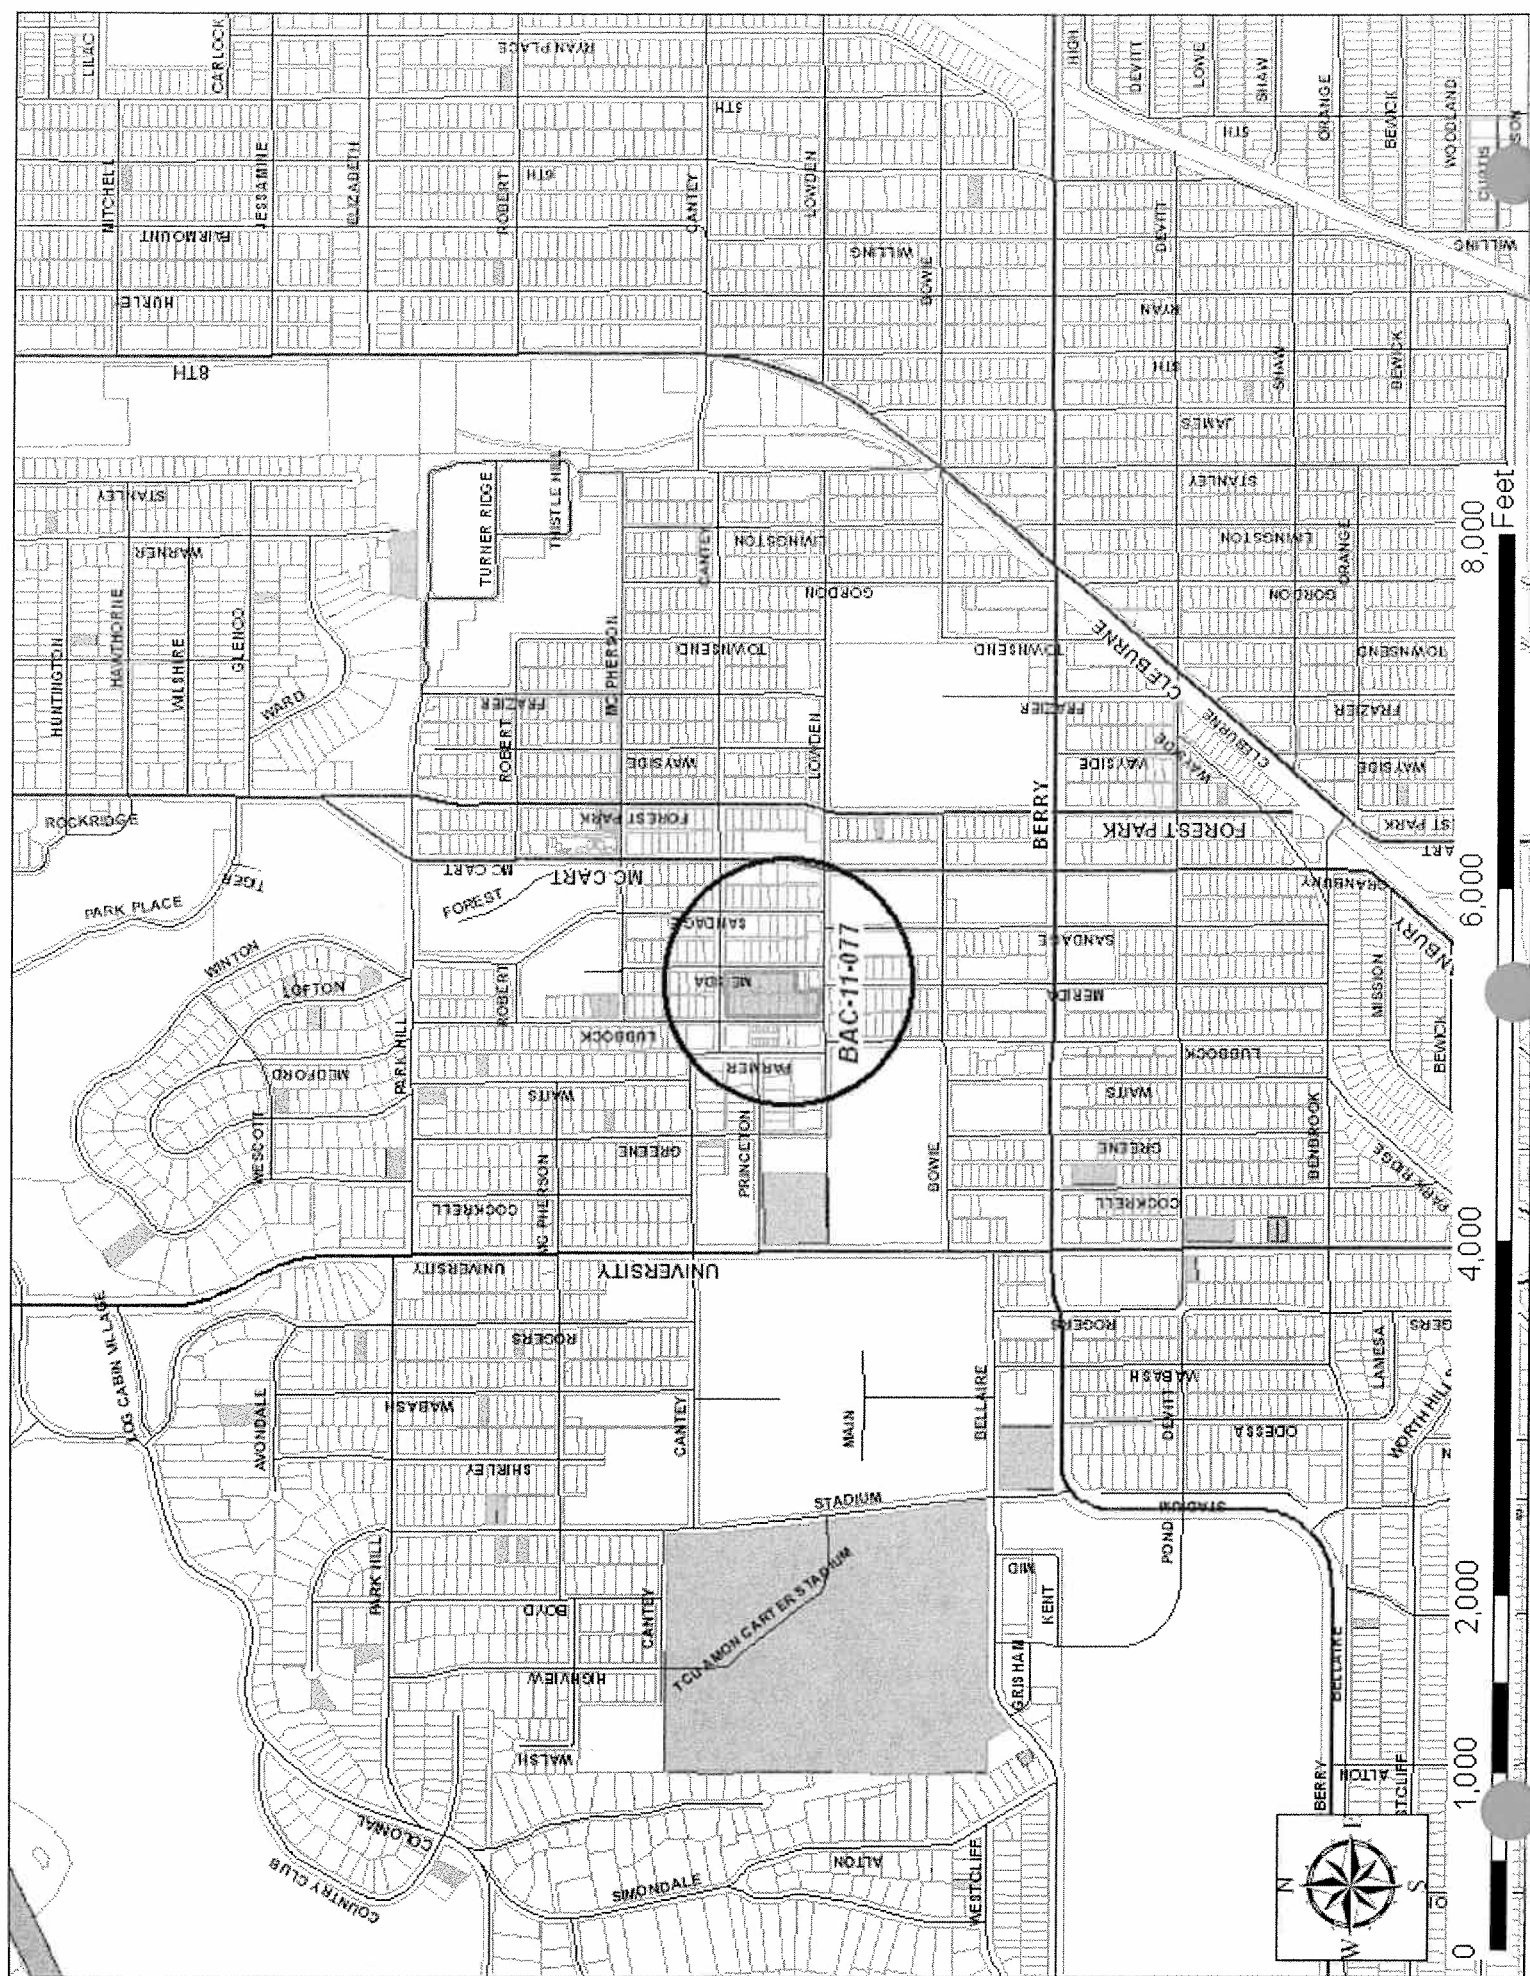

Medium Density Residential

**REGISTERED
NEIGHBORHOOD
NOTIFICATION**

The following registered associations were sent early notification: Byers McCart, Frisco Heights, Paschal Area, University Place, University West, Bluebonnet Place, University Neighborhood Alliance, Berry Street Initiative, Southside Preservation Assoc., South University, and Fort Worth ISD.

EXISTING CONDITIONS

The subject property maintains single family homes in a Planned Development District. The applicants are requesting a special exception for an off-site auxiliary parking lot and variances to provide parking spaces within the required front yard setback without providing the screening fence and chaining and locking facility. There are single family homes around the subject property.

6.202.F
Explain Request: (Fully explain the existing conditions that make this request necessary.) The existing property has numerous residential structures apparently being primarily used as rental duplexes and apartments. Applicant proposes to purchase the property and to construct an auxiliary private parking lot. Applicant seeks a special exception for auxiliary parking, and variances from (i) front yard set-backs along Merida, (ii) screen fencing and (iii) chaining and locking at night.

Request Proposal and Description

Provide a description of the existing and / or proposed physical property improvements relative to this case (i.e. materials, structure type and height, dimensions, etc.) Please also supply and identify photos where applicable, to support your case -

The premises are presently used for residential purposes primarily as rental properties consisting of duplexes and apartments. TCU proposes to purchase the premises and to construct an auxiliary parking facility on same. In doing so, an 8 foot green space will be provided along Lubbock and Merida Streets with a minimum 20 foot green space being provided along West Lowden and Cantey Street. The green spaces will be attractively landscaped as shown on the attachments to this Application with particular emphasis placed at the intersections of the adjacent streets. There will be a single point of ingress and egress on West Lowden Street so that traffic will be directed back towards the TCU campus to the south and away from residential neighborhoods to the north. The perimeter of the facility will be enclosed with wrought iron fencing erected with brick columns. Attached hereto are proposed site diagrams, a lighting legend, and elevations exhibiting the fencing and landscaping for the proposed facility.

Acknowledgement

I certify that the information herein provided is true and correct to the best of my knowledge and belief, and that I, or my authorized representative, will cause this case to be presented in public hearing before the Zoning Board of Adjustment, unless I withdraw same prior to the City's posting of public notice. Should I initiate withdrawal after public notice is posted, I understand that the Board action shall constitute denial of the case, and the filing fee will be non-refundable. Further, no new application may be filed for hearing within 24 months of the date of Board denial or post-public notice withdrawal, unless the denial is without prejudice, or substantial changes have occurred in which to warrant a Board waiver of the 24 month mandatory re-application delay period. Most Board and Commission operate on a 30 -60 days, but may be applied for, concurrently with the Board of Adjustment. **ANY REQUIRED PERMITS MUST BE OBTAINED WITHIN 180 DAYS.**
